

Needle Exchanges

WA SUBSTANCE USERS' ASSOCIATION

wasua.com.au

WASUA provides a needle exchange which offers a range of needles and syringes free on exchange of used equipment or at a low cost, safe disposal of used equipment, and safer sex equipment. The health clinic offers blood testing, free hepatitis B vaccination, and other services.

WASUA also provides support, peer education, advocacy and referral for people who inject drugs to a range of health and drug-related services.
